

I am sorry, but the paper

**Bruner E., Ricci F. & G. Manzi 2002 - Faces from the ancient Fezzan: a geometric morphometric approach. In (Savino di Lernia & Giorgio Manzi eds) *Sand, stones, and bones. The archaeology of death in the Wadi Tanezzuft valley*; pp. 251-260. All'Insegna del Giglio: Firenze.**

can not be downloaded, for personal request of Dr. Savino di Lernia.

Anyway, the paper will be sent to anyone who will be interested. Please contact:
